I, Richard Paestella would like to run for the board. I believe I could use my past experience as an asset to this community.

Because I live here year round, I would like to contribute to this growing and changing community for the benefit of all who reside here by using my past experience.

I was a Director of Public Works in Spencer, N.C and an Operations Manager for a privately owned Rubbick company in Syracuse, N.Y. This lends me to the understandings and knowledge of working with a board and budgets. I am already contributing here in any way I can be of help.

Please accept this as my letter of intent to run for the board of Village in the Pines.

Regards,  
Richard Paestella
